

Interfaith Coalition on Immigration - Dignity Not Detention

Inter-Faith Action Vigil Tuesday, August 8, 2017, 8 AM

Keep Families Together!
No more deportations Sanctuary everywhere
We claim all spaces as sacred

Place: Whipple Federal Building, 1 Federal Drive, Fort Snelling, MN

As People of Faith We Gather To:

Bear witness to the terror of ICE (Immigration and Customs Enforcement agency of Homeland Security Department) being unleashed on immigrants and their families in our community.

Stand in solidarity with all those affected including parents of citizen children; recent arrivals fleeing violence; DACA (Dreamer) recipients; and persons with both temporary protected status and permanent resident status.

Oppose enforcement for the sake of enforcement, without regard for the principle of mercy for the sake of our shared and precious humanity.

The Whipple Federal Building houses an immigration court which is now flooded with cases, and is responding by authorizing many deportations every week. Join us as we assert that this building and court are the People's property – our property - and renounce the inhumane acts that are done there in our name.

Please be with us as we sing, pray and take a stand, as people of all faith traditions, in our shared connectedness with all that is sacred. All are welcome!

Come, Pray, Support
