NO BAN! NO WALL! ALL FAITH TRADITIONS BELIEVE IN JUSTICE!

We claim all spaces as sacred

Tuesday, March 13, 2018, 7:30 AM

Whipple Federal Building, 1 Federal Drive, Fort Snelling, MN

Special guests:

- **John Bruning and Kim Hunter, attorneys for Abdulmalik Ibrahim and Abdi Hakim Mohamed**
- **Mohamud Hassan, Somali Family Life Center**

On Dec. 7, a deportation flight with 92 Somali's, including approximately 30 from Minneapolis, was bound for Somalia but was sent back to the U.S.. Detainees were shackled together for 48 hours, including for 20 hours in Senegal. ICE agents in charge of the flight committed horrible human rights violations: The plane's toilets overfilled with human waste, some detainees had to urinate into bottles or on themselves, ICE agents put some detainees into full-body restraints, ICE agents kicked, struck, or dragged detainees down the aisle of the plane, ICE agents verbally abused and threatened detainees, an ICE agent picked up Khadar Abdi Ibrahim, then slammed him down head-first

Join us as we learn the current status of this class-action case, and what we can do to support all Somali immigrants in the deportation system, and lift our voices to renounce the inhumane acts that happen in the Whipple Building in our name.

After the vigil, will invite a small group of people to stay until 10:30 to witness immigration hearings and the tragedy heaped on our communities by the immigration courts.

Sing, Pray, Support – All are welcome!
